

# JFHS Marching Band Student Pledge of Compliance

(To be read and signed by student AND parent/guardian)

We, the undersigned, pledge that we understand fully that demonstrated good character (defined here as being demonstrated by consistently making decisions/personal choice in regards to behavior and attitude that simultaneously fall within the standards of acceptable behavior set by Bedford County (VA) Public Schools and contribute to a wholly positive and constructive environment for all students & adults associated with the Jefferson Forest High School Band Program) and compliance with established standards, rules, and laws is essential to the success of the Jefferson Forest High School Band Program. We, the undersigned, pledge that we understand fully that all Jefferson Forest High School & Bedford County Public Schools rules & regulations, as well as local (Bedford County, VA), state (Virginia), and federal (United States of America) laws pertaining to acceptable purchase, procurement, possession, distribution, and/or consumption of any alcoholic beverage, tobacco product, or other controlled &/or illegal substance will be in effect throughout Marching Band season (to be defined by the dates set forth in the 2023 JF Marching Band Calendar, and NOT limited only to those time in which the student is engaged in rehearsal, travel, or performance, but as 24 hours a day, 7 days a week from setting foot on school property on July 17, 2023 through leaving school property at the conclusion of the published itinerary on December 2, 2023). We further state that we understand that any infraction of said rules, regulations, and/or laws will be dealt with appropriately by the Jefferson Forest High School/Bedford County Public Schools administration regardless of when and where transgression took place, as if the transgression had occurred on school property during the school day. I, the student, also avow that I will represent my family, my school, and my community with distinction, dignity, and in a positive light at all times during the aforementioned period. I, the undersigned (student &/or parent), will adhere to all published calendars, schedules, & itineraries issued during the season. I, the parent, understand that if my child is dismissed from the program for disciplinary reasons during the season, no refund of fees will be issued. Both parties fully understand that no student will be allowed to participate in the Jefferson Forest High School Marching Band without having this document submitted, signed by both student and parent/guardian.
